知识产权声明

东方电气集团东方电机有限公司（以下简称：东方电机）向资料接收方共享大型冲击式水轮机研究项目 **DEC PELTON 2024** 的相关研究资料——田湾河梯级金窝水电站 150MW 级国产化冲击式水轮机转轮技术资料（以下简称：该技术资料）。

知识产权声明如下：

1. 东方电机是该技术资料知识产权权利人；

2. 资料接收方只有使用权，仅用于科学研究；不能以该技术资料知识产权为由起诉东方电机；资料接收方基于该技术资料进行的后续改进形成的不侵犯第三方权利的知识产权，由东方电机与改进方共享；资料接收方使用或改进该技术资料产生的知识产权纠纷，与东方电机无关；资料接收方禁止利用该技术资料进行工业化生产。

3. 资料接收方禁止将该技术资料以任何形式分享给第三方。

4. 凡使用该资料用于科研项目申报、论文论著发表等均需注明出处，具体格式为：该研究受到大型冲击式水轮机研究项目 **DEC PELTON 2024** 的支持。

5. 接收方自获取该技术资料，视为同意上述约定。

诚邀广大科技工作者参与 **DEC PELTON 2024** 项目的研究！

Intellectual Property Rights Notice

Dongfang Electric Group Dongfang Electric Co., Ltd. (hereinafter referred to as "DEC") publicly discloses the relevant research data of the Research project of large Pelton turbine **DEC PELTON 2024** to the recipient of the data - the technical data of the 150MW localized pelton turbine runner of Jinwo Hydropower Station in Tianwan River Cascade (hereinafter referred to as the technical data).

The intellectual property rights are declared as follows:

1. DEC is the owner of the intellectual property rights of the technical data;

2. The recipient of the data only has the right to use it for scientific research, and cannot sue DEC on the grounds of intellectual property rights of the technical data; the intellectual property rights that do not infringe the rights of third parties formed by the

recipient of the data based on the subsequent improvement of the technical data shall be shared between DEC and the improver; the intellectual property disputes arising from the use or improvement of the technical data by the recipient of the data have nothing to do with DEC; the recipient of the data is prohibited from using the technical data for industrial production.

3. The recipient of the data is prohibited from sharing this technical data with third parties in any form.

4. All use of this technical data for the application of scientific research projects, the publication of papers, etc., must indicate the source, of the data in the following format: The research is supported by the Research project of large Pelton turbine **DEC PELTON 2024**.

5. The recipient shall be deemed to have agreed to the above agreement by obtaining the technical information.

We sincerely invite scientific and technological workers to participate in the research of DEC PELTON 2024 project!
